To all *non-a**holes* of the world!

The sincerely overwhelming turnout to the Grand Debut of RAUSCH LIVE [including representation from no less than 3 continents & 3 VIP attendees from progressive-rock juggernaut [Shadow Gallery](#)] has triggered an influx of new opportunities to keep the CAMPAIGN to NOT LET IT DIE forging ahead. Please prepare your November schedules accordingly:

A) **Tuesday November 15th**: An evening at [The Legendary Dobbs](#) in Philadelphia, PA, courtesy of Inside Out Music. The evening will showcase a legion of like-minded acts, featuring Inside Out artist Jolly. This is a big night for us - RAUSCH has secured the prime 10PM spot!

B) **Sunday November 20th**: Equally significant is your requested presence at the place where it all began, hometown venue [Puck](#) in Doylestown, PA. RAUSCH triumphantly returns home with full band - and a conveniently early[-ish] Sunday start-time of 7PM to allow ample mingle-time after the show!

For those of you so noble as to attend both RAUSCH performances, we have a little reward for you. Revealing the aforementioned here & now, however, would be anticlimactic :).
